To the Shareholders of Samsonite International S.A. 13-15, avenue de la Liberté L-1931 Luxembourg

REPORT OF THE REVISEUR D'ENTREPRISES AGREE

Report on the audit of the annual accounts

Opinion

We have audited the annual accounts of Samsonite International S.A. (the "Company"), which comprise the balance sheet as at 31 December 2018, and the profit and loss account for the year then ended, and notes to the annual accounts, including a summary of significant accounting policies.

In our opinion, the accompanying annual accounts give a true and fair view of the financial position of the Company as at 31 December 2018, and of the results of its operations for the year then ended in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts.

Basis for Opinion

We conducted our audit in accordance with the Law of 23 July 2016 on the audit profession ("Law of 23 July 2016") and with International Standards on Auditing ("ISAs") as adopted for Luxembourg by the "Commission de Surveillance du Secteur Financier" ("CSSF"). Our responsibilities under the Law of 23 July 2016 and ISAs are further described in the « Responsibilities of "Réviseur d'Entreprises agréé" for the audit of the annual accounts » section of our report. We are also independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("IESBA Code") as adopted for Luxembourg by the CSSF together with the ethical requirements that are relevant to our audit of the annual accounts, and have fulfilled our other ethical responsibilities under those ethical requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the annual accounts of the current period. Those matters were addressed in the context of our audit of the annual accounts as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on those matters.

We have determined that there are no key audit matters to communicate in our report.

Other information

The Board of Directors is responsible for the other information. The other information comprises the information stated in the management report but does not include the annual accounts and our report of "Réviseur d'Entreprises agréé" thereon.

Our opinion on the annual accounts does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the annual accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the annual accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report this fact. We have nothing to report in this regard.

Responsibilities of the Board of Directors and those charged with governance for the annual accounts

The Board of Directors is responsible for the preparation and fair presentation of these annual accounts in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts, and for such internal control as the Board of Directors determines is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Responsibilities of the Réviseur d'Entreprises agréé for the audit of the annual accounts

The objectives of our audit are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue a report of "Réviseur d'Entreprises agréé" that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual accounts.

As part of an audit in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual accounts, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report of the "Réviseur d'Entreprises agréé" to the related disclosures in the annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our report of the "Réviseur d'Entreprises agréé". However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual accounts, including the disclosures, and whether the annual accounts represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

The management report is consistent with the annual accounts and has been prepared in accordance with the applicable legal requirements.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of presentation

The annual accounts have been prepared in accordance with Luxembourg legal and regulatory requirements under the going concern assumption and the historical cost convention.

The annual accounts have been prepared in accordance with legal and regulatory requirements and generally accepted accounting principles in the Grand Duchy of Luxembourg. Accounting policies and valuation principles are, besides the ones laid down by the law of December 19, 2012, as amended, determined and applied by the Board of Directors.

The preparation of annual accounts requires the use of certain critical accounting estimates. It also requires the Board of Directors to exercise its judgement in the process of applying the accounting policies. Changes in assumptions may have a significant impact on the annual accounts in the period in which the assumptions changed. The Board of Directors believes that the underlying assumptions are appropriate and that the annual accounts therefore present the financial position and its results fairly.

The books and records are maintained in US dollars (USD) and the annual accounts have been prepared in accordance with the valuation rules and accounting policies described below.

2.2 Basis of conversion for items originally expressed in foreign currency

Transactions expressed in currencies other than USD are translated into USD at the exchange rate effective at the time of the transaction.

Long-term assets expressed in currencies other than USD are translated into USD at the exchange rate effective at the time of the transaction. At the balance sheet date these assets remain translated at historical exchange rates.

Other assets are valued individually at the lower of and other liabilities are valued at the higher of their value at the historical exchange rate or their value determined at the exchange rates prevailing at the balance sheet date. Only unrealized exchange losses are recorded in the profit and loss account. Realized exchange gains are recorded in the profit and loss account at the moment of their realization.

Cash at bank is translated at the exchange rate effective at the balance sheet date. Exchange losses and gains are recorded in the profit and loss account of the year.

2.3 Financial assets

Shares in affiliated undertakings and other loans held as fixed assets are valued at purchase price.

In case of durable depreciation in value according to the opinion of the Board of Directors, value adjustments are made in respect of financial assets, so that they are valued at the lower figure to be attributed to them at the balance sheet date. These value adjustments are not continued if the reasons for which the value adjustments were made ceased to apply.

2.4 Debtors

Debtors are valued at their nominal value. They are subject to value adjustments where their recoverability is compromised. These value adjustments are not continued if the reasons for which the value adjustments were made ceased to apply.

2.5 Prepayments

This asset comprises the insurance premium.

2.6 Provisions

Provisions are intended to cover losses or debts, the nature of which is clearly defined and which, at the date of balance sheet, are either likely to be incurred or certain to be incurred but uncertain as their amount or the date on which they will arise.

Provisions for taxation correspond to the tax liability estimated by the Company for the financial years for which the tax return has not yet been filed. The advance payments are shown in the assets of the balance sheet under the "Other debtors" item.

2.7 Creditors

Creditors are recorded at their reimbursement value. Where the amount repayable on account is greater than the amount received, the difference is shown as an asset and is written off over the period of the debt based on a linear method.

Performance-based Restricted Share Units

PRSUs vest in full on the third anniversary of the date of grant, subject to the grantee continuing to be employed by, or continuing to provide services to, the Group on the vesting date, and only to the extent certain pre-established cumulative performance targets are met. Expense related to PRSUs with non-market performance criteria is recognized ratably over the performance period, net of forfeitures, based on the probability of attainment of the related performance targets. The potential number of shares that may be issued upon vesting of the PRSUs ranges from 0% of the target number of shares subject to the PRSUs, if the minimum level of performance is not attained, to up to 200% of the target number of shares subject to the PRSUs, if the level of performance is at or above the predetermined maximum achievement level. For PRSUs subject to market conditions, the expense is recognized over the vesting period based on the fair value as determined on the grant date utilizing a Monte Carlo simulation.

On October 11, 2018, the Group granted PRSUs with respect to a target number of 1,406,918 shares to an executive director and certain members of the Company's senior management team assuming target level achievement of the performance conditions applicable to the PRSU grants. The actual number of shares that will vest under the PRSUs will vary depending on the level of achievement of the performance conditions applicable to the PRSU grants made to the relevant grantees, thereby ensuring that the actual payout is linked to the Company's performance. The maximum number of shares underlying the PRSUs is 2,813,838 shares. The PRSUs granted on October 11, 2018 will vest on October 11, 2021, subject to the achievement of the performance conditions and subject to the applicable grantee continuing to be employed by, or continuing to provide services to, the Group on the vesting date.
